

Treatment Connection

1. Enable via “Service Administration” under name drop down menu on top right-hand side of screen
2. Click on Primary Service type
3. Scroll down to the middle of the page and click on:
 - *”Check this box to display your service on the Treatment Connection website.”*
4. Enter information in provided boxes
 - **General public inquiries will flow into OpenBeds in the Referral Request status tab**

Check this box to display your service on the Treatment Connection website. This will allow you to receive inquiries from public users as well.
