

Seamless, Integrated Crisis Response Management

The Bamboo Health Crisis Management System connects every step of the crisis journey, from first contact to confirmed placement, and integrates seamlessly with Bamboo Health's other behavioral health tools to offer an enhanced, end-to-end crisis workflow experience.

- ✓ **Trusted Partner**
Long-term industry experience, including with behavioral health and government mandates & chosen vendors
- ✓ **Interoperable**
Willingness and ability to work with vendors across the industry; experience integrating with other external vendors

- ✓ **Additive Value**
Enhance, rather than replace, the existing resources through dispatch & referral functionalities that can work with your existing telephony and CRM systems
- ✓ **Industry Expertise**
Ability to offer consultative feedback, guidance, and reporting
